

Academic CV

Samsil Arefin Mozumder

Date of Birth: 11th September 1996

Nationality: Bangladesh

Marital Status: Unmarried

Present Address: 306/A, Yeakub Nagar, Feringhee Bazar, Kotowali, Chattogram, Bangladesh.

Mobile No.: +8801674056506

Email:samsilarefin313@gmail.com

LinkedIn ID: [linkedin.com/in/samsil-arefin-mozumder-20b20a14b/](https://www.linkedin.com/in/samsil-arefin-mozumder-20b20a14b/)

Objectives: To apply the knowledge and expertise acquired in Electrical and Electronic Engineering to deepen and strengthen my knowledge in the field of Embedded System.

Academic Qualification (From the Top Label)

2017-2020	Bachelor of Science in Electrical & Electronic Engineering, School of Science, Engineering and Technology, East Delta University, Bangladesh. Graduated in December, 2020 (CGPA 3.26 out of 4.00).
2013-2017	Diploma In Engineering In Electronics Technology Bangladesh Technical Education Board Chattogram; Bangladesh.(GPA 3.12 out of 4.00)
2013	Secondary School Certificate (S.S.C) Board of Intermediate and Secondary Education Chattogram; Bangladesh. (GPA 4.94 out of 5.00)

Job Experience

Designation: Deputy Field Controller

Department: Production Engineering

Organization: OPSEED CO., (BD) LTD

Projects:

- Automatic Ionized Air Blower
- Reverse Harness Detector
- Stack Light Interfacing with Software Writing Machine
- Heat Shrink Tube Cutter Machine Auto Stopping Without Safety Cover & Beep Sound Warning
- OK, NG Indicator Lamp Modification in Sound Check Tester
- Bend Product Check Tester

Key skills & competences

- Internet of Things (IoT), Embedded Systems Designs.
- Able to plan projects and organize tasks effectively.
- Ability to resolve problems independently.
- Flexible with working hours.
- MS Office (MS-word, Excel, Power Point etc.), Python, C++, C, MATLAB etc.

Projects:

Analogue Projects:

- Relay Switching, Water level Indicator, FM Transmitter, Dark Switch
- Timer Circuit, Wave Generator, Auto Water Pump, Clap Circuit
- Audio Amplifier, AM Receiver, Relay Switching (Using LM 386)
- AC-DC Power Supply
- Motor Driver Circuit (Using L293D, L298N, TIP 120, TIP 122,IRFZ44)
- Various Sensor Interfacing Circuit(LDR, IR Sensor,MQ2,)

Digital & Programmed Projects:

- Smart IoT Biofloc System (On going for conference)
- Voice Control Robot (With 5 Commands)
- Level Sensing Device
- Digital Height Measuring Device
- Distance Measuring Tool
- Gas Leakage Detector
- Temperature Displaying System (Load Control According to Temperature)
- IoT Based Home Automation
- IoT Weather Station
- Mini CNC plotter
- Atmospheric Pressure sensing for knowing Altitude
- Automatic Water Bottle Filling Machine
- Campus Automation
- Rubik's Cube Solver Robot
- GSM Controlled Pump ON/OFF and Confirmation
- Face Mask Detection Based Automatic Gate
- Face Recognition and Temperature Detection Based Automatic Gate

Communication skills and competence:

- Native language: Bengali
- Other languages: English- Fluent

Hobbies

When I am free from my routine works, I always keep myself busy with doing other things. I like indulging myself to traveling or visiting places during my leisure or free time. I listen to piano music, watching documentaries and do electronic projects. Besides this I also like to watch sky at night.
